**\$500 REWARD**  
is offered by the manufacturer  
of Dr. Sage's Cataract  
Remedy, for a case of ca-  
taract in the head which  
they cannot cure.

**SYMPHTOMS OF CATARACT**—Dull headache,  
obstruction of the nasal passages, discharges falling from the nose into the throat,  
wheezing, shortness of breath, sore throat, thick  
tense membranes, mucous paroxysms, dry and  
parched, the eyes are weak and watery; there is  
a ringing in the ears, deafness, blushing or  
engorging of the face, a sense of constriction of  
the matter, together with scabs from mucus;  
the voice is changed and has a "mossy" twang; the breath is offensive, smell and  
taste are lost, the eyes are dim, the sight becomes  
dull, mental torpor, a hacking cough  
and general debility. Only a few of the above-  
named symptoms are likely to be present in  
any one case. Thousands of cases annually,  
without medical aid, self-cure. Typical sys-  
temic result in consumption and end-to-end  
trachea. No disease is so common, more dege-  
norative and dangerous, or less understood by phys-  
icians.

By its mild, soothing and healing properties,  
Dr. Sage's Cataract Remedy cures the worst  
cases of Cataract. "Cold in the Head,"  
"Sore Eyes" and "Cataract Headache".  
Sold in druggists everywhere; 50 cents.

**Told Agony from Cataract.**  
Prof. W. H. Hassett, the famous mesmerist,  
of Ithaca, N. Y. writes: "Some ten years ago I  
suffered untold agony from cataract in my left eye.  
My family physician gave me no hope, and  
I was nearly insane. I had to give up my business  
and go to bed. Every day, towards sunset, my voice would become so hoarse I could  
hardly speak above a whisper. The morning  
a shrill, sharp, piercing cry, like a shrill and  
alarm bell, would wake me. By the use of Dr. Sage's  
Cataract Remedy, in three months, I was a well  
man, and the cataract has been permanent."

**Constantly Hawking and Splitting.**  
William J. Brattain, Esq., 2002 Pine Street,  
St. Louis, Mo., writes: "I was a great sufferer  
from cataract for three years. At times I could  
hardly breathe, and was constantly hawking  
and splitting, and for the last eight months I could  
not sleep at night. I thought every day, towards sunset,  
my voice would become so hoarse I could  
hardly speak above a whisper. The morning  
a shrill, sharp, piercing cry, like a shrill and  
alarm bell, would wake me. By the use of Dr. Sage's  
Cataract Remedy, in three months, I was a well  
man, and the cataract has been permanent."

A complete Treatise on Cataract, giving valuable  
hints to clothing, diet and other matters  
of importance, will be mailed, post-paid to any  
address, on receipt of a two-cent postage stamp.
